### 3. 界面语言选择

登录进去后，当出现“英文”界面，如下图时：

把鼠标箭头移动到右上角的“QUICK LINKS”处，会出现下图：

The screenshot displays the EMIS University website interface. At the top left is the EMIS University logo. The top navigation bar includes 'Country: All' and 'Content language: English'. On the right, there is a user greeting 'Welcome cn-sz2 (EMIS Profile Login)' and a 'QUICK LINKS' button with a dropdown arrow, which is circled in red. Below the navigation bar are five main menu categories: 'Company Analysis', 'My EMIS', 'Country Analysis', 'Sources', and 'LOGOUT'. Each category has a list of sub-items. The 'My EMIS' category is highlighted in red. Below these categories are three buttons: 'ACCOUNT SETTINGS', 'USER GUIDE', and 'CUSTOMISE QUICK LINKS', with 'ACCOUNT SETTINGS' circled in red. On the right side, there is a 'LOGOUT' button and a 'I WANT TO:' section with a dropdown menu 'Select Your Task' and a text box containing the message: 'Don't know where to go next? Explore the tasks above and discover how our tools could help you complete your work!'. At the bottom, there are logos for 'Dun and Bradstreet - Industry Reports', 'EIU - Industry Reports', 'The Economist Intelligence Unit', and 'FOCUS ECONOMICS'.

继而鼠标移动到左下角的“ACCOUNT SETTINGS”，即进入“客户设置”界面：

The user profile shows 'cn-sz2' with a placeholder for a profile picture, 'Your Email-id:', and 'Job Function: None Selected'. A 'Contact Support' link is provided. The settings are organized into three sections: 'Start Page' with a dropdown set to 'Home', 'Interface Language' with a dropdown set to 'English', and 'Translation language' with a dropdown set to 'Chinese'. A note at the bottom states: 'Please note that changing the translation language settings will allow user to translate articles and search result page based on selected language preference. This applies at article level and on first level search result pages. Tools, tables won't be affected. Your'.
